About Marayong Public School

Marayong Public School

At Marayong Public School, we recognise the importance of a strong partnership with our community. With the support of our teachers and parents, we are able to provide a safe and supportive environment that fosters the development of 21st Century learners. This lays the foundation for our students to grow into individuals able to make a valuable contribution to society.

Our commitment to Quality Education

We are committed to providing quality educational experiences for all our students. Our highly qualified and enthusiastic staff provide a holistic education for all students catering for their social and educational development and wellbeing. Our staff consistently undertake professional development courses and tailor educational programs to meet the diverse, individual needs of students. Student engagement is a priority, with staff providing learning opportunities that are stimulating and promote success.

Be Safe, Be Responsible, Be a Learner

At Marayong Public School, we have adopted the Positive Behaviour for Learning (PBL) program. Students are explicitly taught the behaviours associated with being a safe, responsible learner.

What We Have to Offer

We offer a comprehensive curriculum addressing all Key Learning Areas. In the Kindergarten classroom we implement L3 (Language, Learning and Literacy), a research-based Literacy intervention program. It provides rich language experiences through the systematic and explicit teaching of speaking and listening, reading and writing.

During Quality Mathematics sessions we provide our students with rich, hands-on experiences to develop skills and concepts across all areas of numeracy. This allows our students to build a solid foundation of mathematical knowledge.

In addition to our standard classroom curriculum, we provide students with opportunities to participate in the following programs to enhance learning outcomes:

- Technology Education
- English as an Additional Language/Dialect
- STEAM - Science, Technology, Engineering, Arts & Mathematics
- Enrichment Programs
- Student Leadership
- Junior and Senior Dance Groups
- School Choir
- Sharing courses
- Preschool Program
- PSSA- Summer and Winter Sports
- Special Interests Groups
- Muddi Bunna Aboriginal Group
- K-6 Peer Support Program
- Debating and Public Speaking
- Excursions and Incursions
- Premier's Reading Challenge
- Premier's Spelling Bee
- Founding member of the Blacktown Learning Community which offers educational and extra-curricular support to teachers, students and parents.

Student Welfare

Our student welfare policy promotes communication with parents to actively encourage student wellbeing. We have a professional counselling service that is available to students and their parents/care givers.
